## About SEAFDEC

The Southeast Asian Fisheries Development Center (SEAFDEC) is a regional treaty organization established in December 1967 to promote fisheries development in the region. Its Member Countries are Brunei Darussalam, Cambodia, Indonesia, Japan, Lao People's Democratic Republic, Malaysia, Union of Myanmar, the Philippines, Singapore, Thailand, the Socialist Republic of Vietnam. The policy-making body of SEAFDEC is the Council of Directors, made up of representatives of the Member Countries.

SEAFDEC conducts research on fisheries problems; generates appropriate fisheries technologies; trains researchers, technicians, fishers and aquafarmers, managers, and policy-makers; and disseminates information pertaining to the fisheries sector.

SEAFDEC has five Departments that focus on different aspects of fisheries development:

- The Training Department (TD) in Samut Prakan, Thailand (1967) for training in marine capture fisheries
- The Marine Fisheries Research Department (MFRD) in Singapore (1967) for post-harvest technologies
- The Aquaculture Department (AQD) in Tigbauan, Iloilo, Philippines (1973) for aquaculture research and development
- The Marine Fishery Resources Development and Management Department (MFRDMD) in Kuala Terengganu, Malaysia (1992) for the development and management of fishery resources in the exclusive economic zones of SEAFDEC Member Countries
- The Inland Fishery Resources Development and Management Department (IFRDMD) in Palembang, Indonesia (2014) for sustainable development and management of inland capture fisheries in the Southeast Asian region.

The SEAFDEC Aquaculture Department in the Philippines maintains four stations in three provinces: the Tigbauan Main Station and Dumangas Brackishwater Station in Iloilo; the Igang Marine Station in Guimaras; and the Binangonan Freshwater Station in Rizal.

SEAFDEC/AQD is mandated to:

- Conduct scientific research to generate aquaculture technologies appropriate for Southeast Asia
- Train managerial, technical, and skilled manpower for aquaculture
- Communicate and exchange aquaculture information

*SEAFDEC/AQD is committed to sustainable development and the responsible stewardship of aquaculture resources through research and the promotion of appropriate aquaculture technologies and information relevant to the Southeast Asian region*

Titles, prices, order form  
August 2018

## 3 easy ways to order

Fill out the Order Form inside and either—

- E-mail to bookstore@seafdec.org.ph
- Fax to (63) 33-330-7031
- Mail to AQD Bookstore, SEAFDEC Aquaculture Department, Tigbauan 5021, Iloilo, Philippines

## 4 easy ways to pay

In the Philippines, either—

- Deposit in the SEAFDEC/AQD Account # 307 112877 9 at United Coconut Planters Bank, Iznart Street, Iloilo City
- By Postal Money Order payable to SEAFDEC Aquaculture Department

From outside the Philippines, either—

- Pay to Citibank N.A. 111 Wall Street NY, NY, 10043 Citibank routing # 021000089 for credit to the account of Bank of Commerce account # 36048823 and the funds for further credit to the account of SEAFDEC/AQD Bank of Commerce Iloilo account # 023-21000001-1 swift code pabiphmm. Please add bank charges to the bill
- By Bank Draft or Demand Draft payable to the SEAFDEC Aquaculture Department
